Invitation to Bid

Sealed bids will be received at this office on Tuesday, November 27, 2012 @ 11:00 a.m. for furnishing:

Bid Item 12-213 6000 GVW Pickup Truck for Fleet Management
Bid Item 12-214 8500 GVW Pickup Truck for Fleet Management
10,000 GVW Pickup Truck for Fleet Management

Bids will be received by Augusta, GA Commission hereinafter referred to as the OWNER at the offices of:

Geri A. Sams Procurement Department 530 Greene Street - Room 605 Augusta, Georgia 30901 706-821-2422

Bid documents may be viewed on the Augusta, Georgia web site under the Procurement Department ARCbid. Bid documents may be obtained at the office of the Augusta, GA Procurement Department, 530 Greene Street – Room 605, Augusta, GA 30901. Documents may be examined during regular business hours at the offices of Augusta, GA Procurement Department. All questions must be submitted in writing by fax to 706 821-2811 or by email to procbidandcontract@augustaga.gov to the office of the Procurement Department by Friday, November 9, 2012 @ 5:00 p.m. No bid will be accepted by fax, all must be received by mail or hand delivered.

No Bid may be withdrawn for a period of 90 days after time has been called on the date of opening.

Invitation for bids and specifications. An invitation for bids shall be issued by the Procurement Office and shall include specifications prepared in accordance with Article 4 (Product Specifications), and all contractual terms and conditions, applicable to the procurement. All specific requirements contained in the invitation to bid including, but not limited to, the number of copies needed, the timing of the submission, the required financial data, and any other requirements designated by the Procurement Department are considered material conditions of the bid which are not waiveable or modifiable by the Procurement Director. All requests to waive or modify any such material condition shall be submitted through the Procurement Director to the appropriate committee of the Augusta, Georgia Commission for approval by the Augusta, Georgia Commission. Please mark BID number on the outside of the envelope.

Bidders are cautioned that acquisition of BID documents through any source other than the office of the Procurement Department is not advisable. Acquisition of BID documents from unauthorized sources places the bidder at the risk of receiving incomplete or inaccurate information upon which to base his qualifications.

GERI A. SAMS, Procurement Director

TO:

MS. GERI SAMS, DIRECTOR of PROCUREMENT

FROM:

RON CROWDEN

SUBJECT:

PARTIAL BID AWARD REQUEST-BID 12-213

DATE:

FEBRUARY 18, 2013

Fleet Management would like to request the bid award for the attached compilations of bid 12-213, which opened on November 27th at 11:00, to be awarded to Bobby Jones Ford of Augusta, Georgia. The vendor was the low bidder for these compilations of the bid and met all bid specifications required by Augusta.

Also, we would like to request vendor approval of the Local Vendor Preference for an attached compilation of the bid.

Please let us know when the vendor paperwork is completed on this award so that we may move forward with the purchase process.

If you have any questions or concerns, please contact me.

Best Personal Regards,

Ron Crowden

Fleet Manager

SUBJECT:

PORTION BID AWARD REQUEST-12-214

DATE:

DECEMBER 14, 2012

Fleet Management would like to request the attached portion of bid 12-214, which opened on November 27th at 11:00, to be awarded to Bobby Jones Ford of Augusta, Georgia, through the Local Vendor Preference program. Bobby Jones Ford's bid price came in within the 10% requirement of the non-local low bidder and met all bid specifications required by Augusta.

Please let us know when the vendor paperwork is completed on this award so that we may move forward with the purchase.

If you have any questions or concerns, please contact me.

Best Personal Regards,

Ron Crowden Fleet Manager

FINANCE DEPARTMENT

Donna B. Williams, CGFM Director

Ron Crowden Fleet Manager

MEMORANDUM

TO:

MS. GERI SAMS

FROM:

RON CROWDEN

SUBJECT: BID AWARD REQUEST-BID 12-215

DATE: JUNE 18, 2013

Fleet Management would like to request the bid award for the attached compilation of bid 12-215, which opened on November 27th at 11:00, to be awarded to Bobby Jones Ford of Augusta, Georgia. The vendor met all bid specifications required by Augusta. This compilation of the bid will be utilized for the purchase of vehicles for various Augusta departments.

Please let us know when the vendor paperwork is completed on this request so that we may move forward with the purchase process.

If you have any questions or concerns, please contact me.

Best Personal Regards,

Ron Crowden Fleet Manager

Bid Item #12-215 10,000 GVW Pickup Truck For Augusta Fleet Department Due Date: Tues 11/27/12 @ 11:00 a.m.

Finance Committee Meeting 7/8/2013 12:55 PM 2013 - Engineering Maintenance

Department: Finance Department - Fleet Management Division

Caption: Approve the replacement one F-150 (4X4), one F-250, one F-250

(4X4) and one F-350, dual rear wheel for Engineering

Department.

Background: The Engineering Director is requesting the replacement of the 4

trucks mentioned above as they are beyond the age and mileage requirements of the Replacement Criteria and policy. The F-150 (4X4) is replacing a 1998 Ford Ranger (4x4) asset # 984158,that has 231,367 miles on it . The one F-250 , asset # 940298, has 195,344 miles and the GMC 2500, asset# 930325 has 168,357 miles on it. The 2000 Ford F-350 has 190,877 miles on it.

Analysis: The Procurement Department published a competitive bid using

the Demand Star application for the Ford F-150 4X4, Bid 12-213.

Bids were received from two venders; Allan Vigil Ford at \$24,642.00 and Bobby Jones Ford at \$24,427.00 which was the low bidder. See attached documents. For the F-250, 4X4, bid 12-214, bids were received from Allan Vigil Ford at \$25,912.00 and Bobby Jones Ford at \$25,590.00. Bobby Jones was the low bidder For the F-250,bid 214, bids were received from Allan Vigil Ford at \$23,583.00 and Bobby Jones Ford at \$23,583.00. Bobby Jones was the low bidder. For the F-350,DWD, bid 12-215, bids were received from Allan Vigil Ford at \$32,111.00 and Bobby Jones

Ford at \$32,017.00. Bobby Jones Ford the low bidder.

Financial Impact: The approval the purchase of 4 vehicles for Engineering

Maintenance for a total of \$105,662.00.

Alternatives: 1, Approve the request 2. Approve the request in part. 3. Do not

approve the request.

Recommendation: Approve the request to purchase 4 vehicles for \$105,662.00 and

declare the 4 replaced vehicles as excess and available for auction.

Invitation to Bid

Sealed bids will be received at this office on Tuesday, November 27, 2012 @ 11:00 a.m. for furnishing:

Bid Item 12-213 6000 GVW Pickup Truck for Fleet Management
Bid Item 12-214 8500 GVW Pickup Truck for Fleet Management
10,000 GVW Pickup Truck for Fleet Management

Bids will be received by Augusta, GA Commission hereinafter referred to as the OWNER at the offices of:

Geri A. Sams Procurement Department 530 Greene Street - Room 605 Augusta, Georgia 30901 706-821-2422

Bid documents may be viewed on the Augusta, Georgia web site under the Procurement Department ARCbid. Bid documents may be obtained at the office of the Augusta, GA Procurement Department, 530 Greene Street – Room 605, Augusta, GA 30901. Documents may be examined during regular business hours at the offices of Augusta, GA Procurement Department. All questions must be submitted in writing by fax to 706 821-2811 or by email to procbidandcontract@augustaga.gov to the office of the Procurement Department by Friday, November 9, 2012 @ 5:00 p.m. No bid will be accepted by fax, all must be received by mail or hand delivered.

No Bid may be withdrawn for a period of 90 days after time has been called on the date of opening.

Invitation for bids and specifications. An invitation for bids shall be issued by the Procurement Office and shall include specifications prepared in accordance with Article 4 (Product Specifications), and all contractual terms and conditions, applicable to the procurement. All specific requirements contained in the invitation to bid including, but not limited to, the number of copies needed, the timing of the submission, the required financial data, and any other requirements designated by the Procurement Department are considered material conditions of the bid which are not waiveable or modifiable by the Procurement Director. All requests to waive or modify any such material condition shall be submitted through the Procurement Director to the appropriate committee of the Augusta, Georgia Commission for approval by the Augusta, Georgia Commission. Please mark BID number on the outside of the envelope.

Bidders are cautioned that acquisition of BID documents through any source other than the office of the Procurement Department is not advisable. Acquisition of BID documents from unauthorized sources places the bidder at the risk of receiving incomplete or inaccurate information upon which to base his qualifications.

SUBJECT:

PORTION BID AWARD REQUEST-12-214

DATE:

DECEMBER 14, 2012

Fleet Management would like to request the attached portion of bid 12-214, which opened on November 27th at 11:00, to be awarded to Bobby Jones Ford of Augusta, Georgia, through the Local Vendor Preference program. Bobby Jones Ford's bid price came in within the 10% requirement of the non-local low bidder and met all bid specifications required by Augusta.

Please let us know when the vendor paperwork is completed on this award so that we may move forward with the purchase.

If you have any questions or concerns, please contact me.

Best Personal Regards,

Ron Crowden Fleet Manager

SUBJECT: BID AWARD REQUEST-BID 12-215

DATE: JUNE 18, 2013

Fleet Management would like to request the bid award for the attached compilation of bid 12-215, which opened on November 27th at 11:00, to be awarded to Bobby Jones Ford of Augusta, Georgia. The vendor met all bid specifications required by Augusta. This compilation of the bid will be utilized for the purchase of vehicles for various Augusta departments.

Please let us know when the vendor paperwork is completed on this request so that we may move forward with the purchase process.

If you have any questions or concerns, please contact me.

Best Personal Regards,

Ron Crowden Fleet Manager

Finance Committee Meeting 7/8/2013 12:55 PM 2013 - Recreation Trucks

Department: Finance Department - Fleet Management

Caption: Approve the replacement of 4 trucks for Recreation Department.

Background: The Recreation Department has numerous maintenance

requirements s well as supporting maintenance requirements by

other departments. Fleet Management recommends

the replacement of 4 vehicles of the Department. 994170 is a 1999 Ford Ranger with 119,567 miles since Ford Rangers are no longer in production we recommend replacing this vehicle with an F-250 to enhance their maintenance ability. 994201 is a 2000 Ford F-250 with 171,880 miles and Fleet Management replacing it with a F-250. 940299 is a Ford F-150 with 108,258 miles which

is too small for the work done be the Construction and

Maintenance section that supports all Departments of Augusta and

Fleet Management recommends replacing it with an F-250. 960514 is a 1997 Ford F-250 with 134, 473 miles on it and Fleet

Management recommends it be replaced with an F-350. Evaluations on each vehicle is attached for your review.

Analysis: : The Procurement Department published a competitive bid using

the Demand Star application for the : Bid 12-214: F-250; Allen Vigil Ford at \$23583 and Bobby Jones at \$25,572. Bobby Jones the low bidder. Bid 12-215: F-350; Allen Vigil Ford at \$32,111.00

and Bobby Jones Ford at \$32,073. Bobby Jones low bidder

Financial Impact: The approval of two F-250's and two F-350's totals \$111,290

Alternatives: 1. Approve the recommendation 2. Approve the recommendation

in part. 3. Disapprove the recommendation.

Recommendation: Approve the purchase of 2 F-250's and 2 F-350"s and declare the

replaced vehicles as surplus and available for auction

The local bidder preference program is applicable to this project. To be approved as a local bidder and receive bid preference an eligible bidder must submit a completed and signed written application to become a local bidder at least thirty (30) days prior to the date bids are received on an eligible local project. An eligible bidder who fails to submit an application for approval as a local bidder at least thirty (30) days prior to the date bids are received on an eligible local project, and who otherwise meets the requirements for approval as a local bidder, will not be qualified for a bid preference on such eligible local project.

No Bid may be withdrawn for a period of **90** days after time has been called on the date of opening.

Invitation for bids and specifications. An invitation for bids shall be issued by the Procurement Office and shall include specifications prepared in accordance with Article 4 (Product Specifications), and all contractual terms and conditions, applicable to the procurement. All specific requirements contained in the invitation to bid including, but not limited to, the number of copies needed, the timing of the submission, the required financial data, and any other requirements designated by the Procurement Department are considered material conditions of the bid which are not waiveable or modifiable by the Procurement Director. All requests to waive or modify any such material condition shall be submitted through the Procurement Director to the appropriate committee of the Augusta, Georgia Commission for approval by the Augusta, Georgia Commission. Please mark BID number on the outside of the envelope.

Bidders are cautioned that acquisition of BID documents through any source other than the office of the Procurement Department is not advisable. Acquisition of BID documents from unauthorized sources places the bidder at the risk of receiving incomplete or inaccurate information upon which to base his qualifications.

MEMORANDUM

TO:

MS. GERI SAMS

FROM:

RON CROWDEN

SUBJECT: BID AWARD REQUEST-BID 13-150

DATE:

JUNE 7, 2013

Fleet Management would like to request the bid award for bid 13-150, which opened on June 6^{th} at 11:00 AM, to be awarded to P&H Supply Company of Warrenton, Georgia. The vendor was the lowest bidder and met all bid specifications required by Augusta.

Please let us know when the vendor paperwork is completed on this award so that we may move forward with the purchase process.

If you have any questions or concerns, please contact me.

Best Personal Regards,

Ron Crowden

Fleet Manager

Bid Item #13-150 Trailer Mounted Sewer Flusher mailed May 2, 2013

Bid Item #13-150 Trailer Mounted Sewer Flusher For Fleet Management Bid Due: Wed 6/5/13 @ 11:00 A.M.

Finance Committee Meeting 7/8/2013 12:55 PM 2013 - Utilities Sewer Flusher

Department: Finance Department - Fleet Management

Caption: Approve request from the Augusta Utilities Department – Fort

Gordon Division to purchase one trailer mounted sewer flusher.

Background: The Utilities Department-Fort Gordon Division requests the

acquisition of one trailer mounted sewer flusher to utilize for

cleaning the many miles of sewer pipes located on Fort

Gordon. They are currently borrowing one from the Construction and Maintenance Division whenever it is available. The flusher unit is a critical piece of equipment which is used on a weekly basis and is actually required in order for them to honor their maintenance contract on the base. The purchase would increase

their production significantly

Analysis: Fleet Management submitted a request for bids for the sewer

flusher through the Procurement Department utilizing the Demand Star electronic bid system which offers nationwide bid coverage. The Procurement Department received quotes back from 2 vendors. The results of the submittals are as follows: P & H Supply Co. = \$62,847.00 each; Adams Equipment Co. = \$78,955

each; See attachment

Financial Impact: The sewer flusher will be purchased for a total of \$62,847.00

using the GMA Lease Program with 3 annual payments of

\$20,949.00

Alternatives: 1. Approve the request 2. Not approve the request

Recommendation: Approve request to purchase the sewer flusher for the Augusta

Utilities Department-Fort Gordon Division

Funds are Available

L. MEMORANDUM

TO:

Geri Sams, Director of Procurement

FROM:

Lynn Bailey, Board of Elections

DATE:

June 16, 2013

RE:

Sole Source Purchase

You will find attached a Sole Source Procurement Justification form. This form is being submitted to you in regards to the purchase of the Balotar Ballot on Demand Printing System from Election Systems and Software. Election Systems and Software is the manufacturer for all voting equipment used in the state of Georgia and as such by law is the only vendor from whom we may purchase voting equipment.

Documentation to justify the Sole Source purchase, the quote for the product, cost justification, and documentation from the Finance Department indicating that Capital Outlay has been approved for the purchase of this equipment are attached.

It is my understanding that once this request has gone through the procurement process, it will be forwarded back to me so that I may enter the item onto an agenda for a Commission Meeting for their final approval.

If anything else further is required of my office, please do not hesitate to contact me. Thank you in advance for your assistance.

Background:

 $p = e_p$

The Board of Elections is required by law to provide paper absentee ballots for any voter who desires to have a ballot mailed to them and to adhere to the strict federal timelines for doing so. This includes any military or overseas citizens. We are also required to provide paper ballots for provisional voting during Advance Voting and on Election Day and must have paper ballots on hand as a backup for Election Day polling place voting in the event of a failure of the electronic voting system. Currently, the Board is dependent on an outside vendor for printing ballots.

This printing system provides a cost savings to the City and, most importantly, severs Augusta's dependency on outside vendors for this very important process. Balotar is a proven produce and is currently in use in Fulton, Dekalb, Athens-Clarke, and Lee counties in Georgia.

Analysis:

The equipment contract covers a 5 year period of time. This analysis, therefore, is based on the number of paper ballots used over the past 5 years. The Board has expended \$83,100 for ballot printing and shipping over the specified time period. Because not having enough ballots for any given election is not an option, ample ballots are ordered for each election and following each election thousands of unused ballots must be shredded.

The Balotar ballot on demand printing system will allow the Board of Elections to print paper ballots in-house, as needed. Benefits of the system include a decrease in the cost of printing ballots, the elimination of the printing of more ballots than we actually need, gaining control of the process so that we are not dependent on outside vendors to ensure that we meet very important federal deadlines for mailing absentee ballots and, eliminating any potential errors of inadvertently issuing an incorrect ballot by facilitating a more efficient process by which our ballots are issued.

Financial Summary:

The cost of the system is \$54,465. The price includes all necessary consumables (paper, toner, etc.) and software and hardware support and services for a 5 year period. There is an additional fee of .45 cents per ballot printed. The per ballot fee price is contractual and will not change during the 5 year period of time. The ballot fee for 5 years will be approximately \$12,600 and will be prorated and budgeted as a line item each year during the 5 year time period. The complete cost for implementing and using the system for 5 years will be approximately \$67,100, providing a total cost savings of \$16,000. Funding to purchase the printing system was approved in the 2013 Capital Outlay Budget.

Augusta, Georgia 30901

Dear Lynn:

The ABS Balotar Printing system (BPS) 2.2.0.9, is currently the only ballot on-demand printing system to undergo and successfully complete verification testing as conducted by our office. The successful completion of this verification test indicates the system is compatible with the state's current uniform system of voting.

If you may have any other questions, please do not hesitate to contact me.

Sincerely,

Michael Barnes

Re: Advanced Ballot Solutions Balotar Printing System 2.2.0.9

Dear Lynn:

After reviewing the Product Review Report on the ABS Balotar Printing system (BPS) 2.2.0.9, I have concluded that the BPS 2.2.0.9 and its intended use are in conformance with Official Code of the State of Georgia statutes related to voting machines and election administration and the applicable rules of the State Election Board and Rules of the Secretary of State of Georgia. The system conforms to commonly accepted standards for information technology products and documentation.

The BPS 2.2.0.9 successfully passed all tests in the Test Plan designed and administered by the Center for Election Systems at Kennesaw State University.

The BPS 2.2.0.9 does not directly interface with any of the components of the certified voting system in Georgia. Because of the lack of a direct interface to the voting system, I have concluded at this time that the BPS 2.2.0.9 system does not fall within the scope of certification of voting system as required by the state of Georgia. I also note that this general class of product – a ballot-on-demand (BOD) system is currently not subjected to federal certification testing. Therefore, I am authorizing the use of the BPS 2.2.0.9 in Richmond County, subject to the Official Code of Georgia Annotated, the State Election Rules, and the Secretary of State rules.

RE: Advanced Ballot Solutions, LLC. ("ABS") Balotar Printing System

Dear Ms. Bailey:

This letter is in response to your request for information regarding ABS' Balotar Printing System. Please be advised that ABS is the sole and exclusive developer and supplier of the ABS Balotar Printing System Software. As such, ABS owns all patents, copyrights and trademarks in and to the Balotar Printing System Software. No other company in the market today has the right to license the Balotar Printing System Software in order to print ballots utilizing the Balotar Printing System.

In addition and as of the date of this letter, ABS' Balotar Printing System is the only ballot on demand system which has been reviewed and approved for use in the State of Georgia by Kennesaw State University. Such Balotar Printing system allows for the printing of on demand ballots for use with the State of Georgia's voting system which has been provided by Election System & Software.

If you have any questions or need additional information, please do not hesitate to contact me directly.

Sincerely,

Timothy J. Hallett

- Rates valid for 60 days and thereafter may change.
- Any applicable (City & State) sales taxes have not been included in pricing and are the responsibility of the customer.
- 4. The quantity of service days reflects a reasonable estimate for implementation and selected ongoing election services. Quantites may change
- 5. A ballot sheet is defined as a sheet of paper up to a total length of 19", regardless of whether printed on 1 or 2 sides. Ballot usage will be determined by the Balotar print audit software, which will account for every ballot request, by ballot type, processed through the software for printing. Verification of usage shall be made available to the Customer upon request.

Balotar™

Ballot on Demand Printing

The future of Ballot on Demand printing

The Balotar is an integrated, highly secure printing system specifically designed to automate generating ballots, on request, for governmental elections, eliminating the waste that typically occurs with absentee and early voting.

The Balotar combines commercially available printing components that are consolidated with proprietary hardware and software modifications that enable it to meet the demanding printing and audit needs of our election customers.

Key Features:

- Integrated software with your voter registration system provides an easy to use interface
- Precision Alignment Feeder ensures readable ballots
- · Printing audit system for built-in accountability
- Heavy duty construction for reliable ballot production

dimensions with inline folder 75.25 x 28x 31.25

experience reliability security innovation

Numbers of Advanced Voters since 2000

Advanced voting is on the rise as more voters cast their ballot before Election day in-person at voting centers or local election offices or through absentee vote by mail. According to the U.S. Census, early voting in-person and by mail has grown steadily since 1992, and exceeded a third of all votes cast in 2008.

HOW WILL YOU RESPOND TO THE DEMAND?

2000 2002 2004 200 Presidential ● G

2006 2008 2010 Gubernatorial ● In the 2010 General Election, more than 35% of all ballots were cast before Election Day.

35%

All ES&S BOD printers have the ability to automatically duplex a 19" ballot, saving jurisdictions the cost of a two page ballot.

the clock support for all your printing needs... before, during, and after your election.

Cost Efficient

- Avoid pre-printing mass quantities
- · Limit overtime costs
- Lower temporary staffing needs for ballot processing and inventory
- Fees are flexible for your budget

Stress Relief

- Gain control over pre-election ballot production
- No delayed ballot deliveries for election day
- Reduce Poll Worker error by getting the voter the correct ballot style
- · Eliminate ballot shortages
- UOCAVA and Absentee ballots ready immediately

Environmentally Friendly

- · Less paper waste
- Lower energy usage, i.e. save fuel costs by avoiding ballot shipment and saving energy at the press plant
- Reduces chemical use and waste

Automated Ballot Management

- Eliminate need for organizing and storing mass quantities of ballots
- Save time spent estimating the number of ballots to order from a commercial printer

MAINTAINING VOTER CONFIDENCE. ENHANCING VOTER EXPERIENCE.

Balotar on Demand Print & Distribution System

PRINT AND DISTRIBUTION OVERVIEW

Advanced Ballot Solutions, has developed a comprehensive, integrated solution suite to automate and streamline all the facets of ballot production and distribution. This integrated set of products and services provides election officials scalable and flexible options to address all of the various methods to meet their ballot needs. Our comprehensive solutions include:

AUTOMATED BALLOT PRINTING SOFTWARE:

- Absentee Mail Ballots
- Ballot Duplication
- Provisional Ballots

BALLOT ON DEMAND PRINTING:

Accurate, reliable ballot production

COMPREHENSIVE REPORTING:

Ballot Production

There are several integrated components that comprise the Balotar Print and Distribution Solution. They include:

- · Balotar On Demand Print Software
- Balotar Print Platform
- Integrated Computer

Finance Committee Meeting 7/8/2013 12:55 PM Approve the Purchase of Absentee Ballot Printing System

Department: Board of Elections

Caption: Approve the purchase of the Balotar Ballot on Demand Absentee

Ballot Printing System.

Background: The Board of Elections is required by law to provide paper

absentee ballots for any voter who desires to have a ballot mailed to them and to adhere to the strict federal timelines for doing so. This includes any military or overseas citizens. We are also required to provide paper ballots for provisional voting during Advance Voting and on Election Day and must have paper ballots on hand as a backup for Election Day polling place voting in the event of a failure of the electronic voting system. Currently, the Board is dependent on an outside vendor for printing ballots. This printing system provides a cost savings to the City and, most importantly, severs Augusta's dependency on outside vendors for this very important process. Balotar is a proven product and is currently in use in Fulton, Dekalb, Athens-Clarke, and Lee

counties in Georgia.

Analysis: The equipment contract covers a 5 year period of time. This

analysis, therefore, is based on the number of paper ballots used over the past 5 years. The Board has expended \$83,100 for ballot printing and shipping over the specified time period. Because not having enough ballots for any given election is not an option, ample ballots are ordered for each election and following each election thousands of unused ballots must be shredded. The Balotar ballot on demand printing system will allow the Board of Elections to print paper ballots in-house, as needed. Benefits of the system include a decrease in the cost of printing ballots, the elimination of the printing of more ballots than we actually need, gaining control of the process so that we are not dependent on outside vendors to ensure that we meet very important federal deadlines for mailing absentee ballots and, eliminating any potential errors of inadvertently issuing an incorrect ballot by facilitating a more efficient process by which our ballots are

issued.

Financial Impact:

The cost of the system is \$54,465. The price includes all necessary consumables (paper, toner, etc.) and software and hardware

support and services for a 5 year period. There is an additional fee

of .45 cents per ballot printed. The per ballot fee price is

contractual and will not change during the 5 year period of time. The ballot fee for 5 years will be approximately \$12,600 and will be prorated and budgeted as a line item each year during the 5 year time period. The complete cost for implementing and using the system for 5 years will be approximately \$67,100, providing a total cost savings of \$16,000. Funding to purchase the printing

system was approved in the 2013 Capital Outlay Budget.

Continue to use an outside vendor to provide absentee ballots. **Alternatives:**

Recommendation: Purchase the printing system.

REVIEWED AND APPROVED BY:

Finance. Law. Administrator.

Clerk of Commission

To: Augusta-Richmond County Commissioners

From: Dorothy Chazal Platte

Re: Request for an exception to property tax policy

Date: June 18, 2013

Dear Commissioners,

I am requesting an exception to the Richmond County property tax policy and I was told that I could appeal to the Augusta-Richmond County Commissioners for help with this request.

On December 4, 2012, I purchased a house on Fleming Drive, 30906 at a foreclosure sale for \$11,760.00 from Judith Johnson, deceased. Dunstan, Cleary and West was the law firm that represented Georgia Bank and Trust. I paid cash for the house and property plus two years of back property taxes which amounted to \$1,723.57. Because of delays from the Marshall's Office, I did not see the inside of the house until February 11, 2013 when I hired four young men to remove the personal belongings left in the house. It was at this time I was informed by one of my employees, not the Marshall, that this property was probably a meth lab. The next day I called to have the house tested by CSRA BioCare, LLC for bio hazardous material and the tests were positive for meth. The cost for these tests was \$450.00. After considering my options and liability, I arranged for Thompson Building Wrecking Company to demolish the house and remove dirt surrounding the house. The cost for the demolition was \$7, 750.00 and the job was completed by March 8, 2013.

By March 4, I requested an exception to the property tax policy from the tax appraiser's office to consider 2713 Fleming Drive an empty lot for tax purposes as of January 1, 2013. I did not get a reply to my letter but did get a regular tax notice showing that my taxes were estimated to be \$532.08. I called a tax appraiser about this matter of \$100 more than the property value and he said there was nothing that he could do and I would not get a personal reply to my letter. The tax notice was all I would receive and that the extra \$100 was for the building on the property.

Please consider the following:

- 1. I purchased the property on December 4, 2012.
- 2. I paid two years back taxes.
- 3. I was not allowed in the house until February 11.
- 4. There is no disclosure law in Georgia and while the Marshall had been in the property several times, I did not know it was a meth lab until February 16 when I got the test results back from CSRA BioCare,LLC.
- 5. I took immediate steps to do the right thing. I felt I had purchased a C.D.=Civic Duty. I helped to get rid of a neighborhood blight and problem at considerable personal expense.

- 6. I am requesting a property tax relief by considering 2713 Fleming Drive an empty lot as of January 1st for 2013 tax purposes. I have saved the City a considerable amount of money, paid the back taxes and paid to clean up the lot that was under Court Order to be cleaned by the son.
- 7. In the meantime, I have requested that the solid waste charges be removed from my tax bill as there have been no utilities at that address since August/September 2012. The son of the deceased owner was in jail and the bills were not paid. Presently, there are no utilities on the property. I have not had a response to my letter sent in March. I am hoping that I will have a favorable reply so that my property taxes will be further reduced.

Thank you very much for your consideration of this matter.

Sincerely,

Dorothy C. Platte

REVIEWED AND APPROVED BY:

Discuss rationale for changing the conflict of interest policy. Should changes be necessitated, task the general counsel with reviewing conflict of interest policies of other municipalities and provide search results and a recommendation to the administrative services committee for review and subsequent approval by the commission-council.

Discuss initiating dialogue among members of the commission-council to ascertain whether an interest exists in becoming an Age-Friendly Community. Communities participating must commit to a cycle of assessing and improving their age-friendliness. According to the federal Administration on Aging, by 2030, nearly 20% of the U. S. Population will be 65 and older. Communities that adopt progressive and forward thinking public policies and urban planning models will attract and retain more residents, provide varied business opportunities to serve the older populations, their families, and caregivers, and build infrastructure and policies that are friendly to all ages.

An "Age-Friendly Community" entails an inclusive and accessible urban or suburban environment that encourages active and healthy aging. (AARP's Network of Age-Friendly Communities)

Approve rotating the scheduled meeting time for all committees.

Discuss the Georgia Municipal Associations Handbook for Georgia Mayors and Council Members, Fifth Edition, as relates to the "Powers and Duties of the Mayor and Council Members."

The municipal governing authority consists of the city council or city commission, and depending on the provisions of the city's charter, the mayor. The governing authority is responsible for two essential types of functions: legislative and administrative.

- (a) Legislative responsibilities involve setting policy for the government by enacting various ordinances, resolutions, and regulations.
- (b) Administrative responsibilities deal with the implementation of the policies and procedures established by the governing body. In many cities, the administrative burden is too great to be borne solely by the mayor and council, so these powers are delegated to a professional manager and policies are carried out by various departments, boards, and commissions in the city.

Proposed rotation of committee meetings: 5 committees that meet twice a month

Public Services committee meets at 12:45pm every time because of the amount of citizens that are required to be present for this committee.

The remaining 4 committees rotate monthly alphabetically:

First month:

Administrative Services meets at 12:50 Engineering Committee meets at 12:55 Finance Committee meets at 1:00 Public Safety Committee meets at 1:05

Second month:

Public Safety meets at 12:50 Administrative Service meets at 12:55 Engineering Committee meets at 1:00 Finance Committee meets at 1:05

Third month:

Finance Committee meets at 12:50 Public Safety meets at 12:55 Administrative Services meets at 1:00 Engineering Services meets at 1:05

Forth month:

Engineering Services meets at 12:50 Finance meets at 12:55 Public Safety meets at 1:00 Administrative Services meets at 1:05

Fifth month: rotation starts over
